

MUSIC SUMMER 1 KNOWLEDGE ORGANISERS

Y5 Music Knowledge Organiser
Topic 6 - Britain since 1930

We will explore musical styles during the 1930s and 1940s and focus particularly on music popular during the Second World War. We will examine the melodies of WW2 songs and the way they move step by step and in leaps. We will investigate the **chromatic scale** and how it can be used to recreate the sound of the sirens. Finally, we will have the opportunity to listen to and perform a range of well-known songs and **Swing Music**.

Dame Vera Lynn was a famous singer whose songs help to raise morale during WW2.

Swing Music came from the United States and was a popular form of music to dance to.

Key Words:
