To promote the educational achievement and welfare of Looked After Children.

b) The Name of the Designated Teacher for Looked After Children

Kate Baggaley Assistant Head

c) The Role of the Designated Teacher for Looked After Children

Within School Systems:

- to ensure that all staff, both teaching and non-teaching, are aware of the difficulties and educational disadvantage faced by Looked After Children and understand the need for positive systems of support to overcome them;
- to inform members of staff of the general educational needs of children who are looked after, and to promote the involvement of these children in school, homework clubs, extra-curricular activities, home reading schemes, school councils etc.
- to act as an advocate for Looked After Children;
- to develop and monitor systems for liaising with carers, the Social Services Department(SCH) and the Education Service;
- to hold a register and tracking form for all children who are being looked after e.g. to ensure all relevant education and care information is available to school staff and carer(s), and that this information is kept up to date;
- to monitor the educational progress of all children who are looked after in order to inform the school's development plan; and
- to intervene if there is evidence of individual underachievement, absence from school or internal truancy.

Work with Individual Looked After Children:

- to work with individual children, possibly through a carer, to arrive at a statement about their circumstances that they would be happy to share with staff and/or other pupils;
- to enable the child to make a contribution to their Personal Education Plan; and
- to help ensure that each pupil has a Personal Education Plan (the PEP should be initiated by the young person's social worker).

Liaison:

- To liaise with the member of staff responsible for monitoring children on the Child Protection Register;
- To help co-ordinate the Personal Education Plan meeting;
- To attend, arrange for someone else to attend, or to contribute in other ways to Looked After Children care planning meetings;
- To be the named contact for colleagues in Education and Social Care and Health; and
- To ensure the speedy transfer of information between agencies.

Training:

- To develop knowledge of SCH/Education procedures by attending training events organised by the Local Authority; and
- To cascade training to school staff as appropriate

d) The name of a Governor with special responsibility for Looked After Children:

Mrs Sharon Bowers – Chair of Governors

e) The role of that Governor

The named governor will report to the Governing Body on an annual basis:

- a comparison of test scores as a discrete group, compared with those of other pupils;
- the attendance of pupils as a discrete group, compared with other pupils;
- the level of fixed term/permanent exclusions; and
- pupil destinations.

The named governor should be satisfied that the school's policies and procedure ensure that looked-after pupils have equal access to:

- the national curriculum;

- public examinations;
- careers guidance;
- additional educational support;
- extra-curricular activities; and
- work experience.

f) Looked After Children in School

It is important that all teaching staff who are in contact with the child or young person are aware that he/she is being looked-after by the Local Authority. The responsibility for the transfer of this information should be that of the Headteacher and/or the Designated Teacher for Looked After Children.

It is appropriate for a classroom support assistant to have knowledge that the young person is being looked-after only when directly involved in the teaching of the young person.

In the absence of the usual class teacher, some information regarding the child's circumstances should be shared with the teacher covering the class. The extent of this sharing should be determined by the Headteacher or the Designated Teacher for Looked After Children.

g) Admission Arrangements

On admission, records will be requested from the pupil's previous school and a discussion will be held with carer/parent/social worker, as appropriate. This will provide information to inform the Personal Education Plan. An appropriate school induction will take place.

h) Involving the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker, and their carer(s) are working together to promote their education.

i) Communication with Other Agencies

Schools should ensure that a copy of all reports (e.g. end of year reports) should be forwarded to the young person's Social Worker in addition to the foster carer or Residential Social Worker.

Social Services, the Education Service and schools will need to exchange information between formal reviews if there are significant changes in the young person's circumstances, e.g. if school is considering an exclusion, there is a change of care placement or there are significant attendance issues.

j) Assessment, Monitoring and Review Procedures

Each looked-after pupil will have a Personal Education Plan (PEP) that the Social Worker initiates. This will identify specific areas of concern and include achievable targets. Areas for consideration will include:

- Attendance;
- Achievement Record (academic or otherwise);
- Behaviour;
- Homework;
- Involvement in Extra Curricular Activities;
- Special needs (if any);
- Development needs (short and long term development of skills, knowledge or subject areas and experiences); and
- Long term plans and aspirations (targets including progress, career plans and aspirations).

The PEP will be updated at least every six months, as part of the Statutory Reviewing process carried out by the Social Services Department.

The named governor will report annually to the Governing Body on the progress of all Looked After Children against the key indicators outlined above.
