

Early Years

Early Years units worked together to ensure all children entering First schools were baselined accurately and there was consistency across the Trust

Learners Forum

Children from all school joined together in the Learners Forum to give their idea on the Biddulph Neighbourhood plan. They have been tasked with designing their ideal High Street

Vysion Counselling

Schools have jointly purchased the services of Vysion Counselling services who are able to offer 1:1, group and family counselling for those individuals in need.

Biddulph High School

Biddulph High school pupils came into schools to deliver assemblies during chemistry week allowing pupils to see real life experiments in the flesh.

Middle and First schools accepted pupil on Work Experience.

Biddulph Partnership Trust Newsletter Autumn Term 2017

Joint Working

Headteachers from all schools worked closely to create an action plan for the year ahead together with agreeing a joint Attendance policy and liaising during bad weather to ensure that snow closures throughout Biddulph were consistent and parents informed as efficiently as possible.

Subject leaders

Subject leaders from all schools met together to share good practise in the following areas;

SEND

Maths

English

RE

Faith in Focus

Sport in Biddulph

Children have taken part in a variety of sporting events, these include;

Netball, Kwiksticks, Tag Rugby

Community

Schools made representations at community events such as Remembrance parade and the Biddulph Lights Switch on

Year 4/5 Transition Events

James Bateman have held a science afternoon for year 4 children from all the first schools and Woodhouse have held a cooking afternoon. These sessions give pupils a valuable opportunity to look a life in a middle school in preparation for transition.
