

Dearest Y7 member,

Due to the fact that we now want to focus on vocabulary expansion *as well as* 100% spelling accuracy, we will now be focusing on word meaning as well as spelling. Each week you will receive a mark out of 8. An ideal time to investigate your words each week would be 20 minutes.

Your weekly test will include the following types of question:

- 2 spellings from the words in the list
- 4 synonym replacement questions
- 2 of the words will need to be written *correctly* within a sentence

Your rewards will be:

- 8/8 = 4 signatures
- 7/8 = 2 signatures
- 6/8 = 1 signature

If you receive FULL marks in each of the 13 tests, then you will receive 25 additional signatures!

As always, if you put the effort in, then you'll see the rewards. Good luck.
