Our amazing pupils and staff celebrated World Book Day 2018, by dressing up and creating fabulous videos about all things reading. Each form group had an iPad and produced a short film, which we shared in whole school assembly at the end of the day. There was some superb singing, dancing, poetry and acting. The winning form video was produced by 8LH with their very talented singing skills!

We presented prizes for best girl costume, best boy costumes and for the #shelfie competition, which was held in the library over lunchtime. It was very difficult to pick winners, as they were all brilliant - a massive well done to all of you.

All the pupils and staff have had a fantastic day and we raised a spectacular £530 towards our school library book stock and Batefest!

A massive thank you to all parents and carers for your wonderful costume making and continued support for our quest for Batefest.

We now need to read another 209,000,000 words for Batefest to take place, so come on JBJHS - we can do this!

Let's get reading!

If you have any children/young teen fiction books, that your children no longer read, our school library would accept them. Thank you to the children that have already donated their old fiction books.

## Sports Hall Athletics

Pictured below are the Year 7 girls team and the Year 8 girls team who competed in the Staffordshire Level 3 Sports Hall Athletics Competition at Fenton Manor last week. They both competed against the best teams from 10 areas of Staffordshire.

The Year 8 team came a very creditable 8<sup>th</sup> overall and the Year 7 team came 6<sup>th</sup> overall.

Well done - James Bateman are very proud of you all!
