MULTI -ACADEMY TRUST CONSULTATION QUESTIONNAIRE

Our pupils deserve the very best education, they deserve to experience a school environment in which they can achieve and excel. The proposal is for James Bateman Junior High School to join the existing Creative Learning Partnership Trust which is a Multi-Academy Trust (MAT). The Governors believe a change in status will provide the school with added freedom and benefits to further develop the standard of education currently offered at the school. You can view further details on academies at the Department for Education

website: <http://www.education.gov.uk/schools/leadership/typesofschools/academies>

As part of the process of considering whether to join the MAT we are required to formally consult on the proposal. We welcome your views as part of the consultation.
