JOB VACANCY for a lunchtime supervisor. Please contact Oxhey First school on 01782 513000 or visit their website www.oxheyfirstschool.com/Vacancies for more information

JBHJ Breakfast Club

Start the day off with a healthy breakfast. James Bateman Junior High offers a supervised breakfast club facility with a safe and happy environment for your child

The club starts at 7:30am every day and is excellent value at £2.00 a session includes a choice of breakfast items and a drink.

The club gives your child a great start to the morning, making sure that they are on time, ready to learn and allowing them to spend time with their friends.

Its simple, just turn up, there is no need to book a place.

If you have any children/young teen fiction books, that your children no longer read, our school library would accept them. Thank you to the children that have already donated their old fiction books.

Raffle in aid of our STEM Project

Tickets £1 per Strip on sale at lunchtimes until 12th July

Prize—Official Mercedes Merchandise

Notebook, pen, pencil sharpener, hat, cap, powerpack and bag

You really don't want to miss your chance at this great prize

Cost of the trip £22.50

With a merlin pass £8.00

Last day for payment 29th June 2018

Our RE Gifted and Talented pupils visited Lichfield Cathedral on trip on 12th June 2018. The children explored religion and the Cathedral through activities including: a cube experience (discovering injustice), singing, drama/role play and a workshop on prayer/ethics. Many of the children enjoyed getting the chance to look at the architecture up close, remarking on how stunning it was.

When talking to the children they particularly enjoyed the interactive cube experience. "I liked the cube, because it was interesting to discuss and explore my thoughts and options on justice and injustice..." commented Ava. Whilst Charlotte mentioned, "I liked taking part in the poverty trap experience. We got a chance to work with other schools, and it really gave us a chance to see/feel what it was like for families stuck in that situation." Trinity thought, "It was a really exciting and interactive day. We got a chance to really explore religion." Millicent found, "the music was interesting; she made it fun and exciting. She put her own twist onto it." Lexie enjoyed, "I liked when we were given a picture and had to explore what they might be feeling, putting ourselves in their shoes."

Equipment reminder.

It is vital that all pupils come to school ready to learn and most pupils do! However, we're finding that more and more pupils are coming to lessons without the basic equipment to support their learning – so here's a reminder of the minimum expectations. All pupils should come to school with:

* A Pencil

* A black Pen

* A green Pen

* A ruler

* An eraser

* Pencil sharpener

Please support us and your child's learning by ensuring they come to school with the right equipment to go alongside their already fantastic attitude!

Thanks – Mr Pace

Rosie-May Hodson—5LC

I have been raising money for Dementia UK. I started raising the money because I went to a carboot sale and 2 people including myself turned up, despite 12 people booking tables. So I took it upon myself to get a bucket and go around Biddulph knocking on doors; in 3 days I had raised £835. My parents set up a Just giving page plus I went to all the shops in Biddulph . As of today I have raised £2195 for such as amazing charity.

Well Done Rosie-May
