Dear Parent/Carer

Re: Siemens Roller Coaster Challenge

For the past 10 weeks your child has taken part, as a team, in the Siemens Roller-Coaster Challenge, held at their school. We would like to congratulate your child, as they are part of one of two teams going forward to the Roller-Coaster Challenge finals event at Congleton Town Hall. The evening is on Tuesday 12th February 2019, from 16.45pm to 17.45pm. As parents/guardians of the students you are invited to attend the finals event (max 2 adults per student).

The aim of the challenge is to educate and enthuse the children about engineering and STEM subjects through designing, building, testing and improving a working model roller-coaster. Your child's team has been chosen to go forward to an inter-school grand final event, where they will showcase their roller-coaster and project portfolio to our judges, competing against other schools for the following prizes categories:

Winners of the 2019 Siemens Rollercoaster Challenge;

- Overall Winner
 - Design and engineering of the track
 - Creativity and roller-coaster theme
 - Project management and marketing: portfolio and video
 - Highly commended/Special awards at the judge's discretion

Unfortunately we will be unable to bring your child back from the event as staff will have to transport the roller-coaster models. Therefore it is important that arrangements to collect your child are made should you be unable to attend the event.

Yours faithfully

Mrs L Hibbert
Head of ICT

Mrs J Sale
Head of Art

Please return to Mrs Hibbert or Mrs Sale

Name _____ Class _____

I will make arrangements for my child to be collected from the Rollercoaster event at Congleton Town Hall on Tuesday 12th February, at 17.45pm and I give my permission for my child to:

- Be driven to the venue, for the final, in a member of staff's car.
