Dear Parents/carers,

It has come to our attention that a lot of Y6 pupils are part of a 'whatsapp' group chat. Whilst in the main they are harmless, this particular chat has become quite nasty with comments being made about staff and other pupils.

Language and content is inappropriate and indeed in some instances highly slanderous. Year 6 staff and pupils are working extremely hard in the final run up to the SATS tests, then putting in place rewards, residential visits and end of year trips. To read some of the comments is extremely hurtful and upsetting.

Some of the pupils have been upset and have informed staff. I am sure you would agree that this type of behaviour is unacceptable. Pupils have been advised to remove themselves from any group that is inappropriate.

Please could I ask that you discuss the importance of responsible social media activity.

Yours sincerely

Mrs T Price
