Dear Parent/Carer

As we approach the last term for Year 8 pupils, we would appreciate it if you could keep your child's Parentpay account in credit.

Unfortunately, if your account is not kept in credit then we will be unable to provide a school meal or break sales for your child. Refusal can embarrass pupils.

A school meal costs £2.20 a day; £11.00 a week, break sales prices range from 30p to £1.10. Please ensure that if you can't cover the payment for meals then choose on a daily basis whether you provide sandwiches from home or pay for a school meal.

Yours faithfully

Mrs C Picken  
School Business Manager
