Dear Parents

It is that time of year again when we welcome our Y4 pupils into school in order to prepare them for September. This will take place on June 18<sup>th</sup>. In response to pupil and parent voice we are going to do a transition day with all our other year groups as well. We would like to give the children and staff time to get to know each other before the start of the new school year, so we have planned a number of activities to support this. The children will get to meet their new form tutor and will have some taster sessions with their new teachers. We are also going to host some team building activities.

There will be further correspondence for Year 6 moving into Year 7 regarding sets once the SATs results have been received. Any set changes for Y7 moving into Y8 will also be informed at this stage.

New form groups: September 2019

During the course of the day each Progress Leader will hold an assembly with the year group in order to introduce themselves and outline what is expected of them as they move into their next school year.

Throughout the day there will be a number of activities which could include: form introductions, transition activities, taster sessions, sports and more. We hope that this will help your children to feel more relaxed when they return in September for the start of a new school year, after having met their new tutors.

Should you have any questions please do not hesitate to contact the school office.

Yours sincerely
