Dear Parent / Carer,

Thank you for your patience and understanding in light of the closures. We understand the incredible challenges our whole community are now facing, and we thank you unequivocally for your support.

To ensure the educational provision for each of our pupils, we have put together an online collection of resources. These resources will enable pupils to learn at home, at their own pace, and in a way which suits their learning style.

The online tool we have created is called Padlet. This is a simple, one-page website that contains all of the activities we have set for the pupils. We selected this provider as it is very user-friendly. It does not require a log-in, it is easy to navigate and staff can update and amend all of the resources regularly. We envisage this site will develop significantly overtime and become even more purposeful.

Your link to access the website will be shared on: a letter home, a parent text, Twitter and Facebook. Additionally, we will also share a 'how-to' guide on our website.

We are determined to provide the very best learning possible to our pupils, and we hope these measures will help achieve this aim. If you require printed copies of the resources, please email the school at [office@jamesbateman.staffs.sch.uk](mailto:office@jamesbateman.staffs.sch.uk) and we'll prepare a pack for collection.

We thank you for your continued support and we hope that you and your family can stay positive, safe and we hope that very soon we will all be able to welcome the pupils back into our classrooms, and back into our lives.

**Staying in contact.**

On the reverse of this letter are special emails that have been set up should you wish to contact a member of staff with a query about learning or safeguarding.

If you have any technical questions about the online learning facility, please get in contact via:

**Facebook:** Search James Bateman Middle School

**Email:** [homelearning@jamesbateman.staffs.sch.uk](mailto:homelearning@jamesbateman.staffs.sch.uk)

Best wishes to you and your families.
