

Where Pupils Achieve and Excel
Headteacher: Mrs T Price BA (Hons) MA Ed

21st October 2021

Dear Parents/Carers,

We hope you are following and supporting our reading journey via our social media and newsletter stories. Our pupils have got off to a flying start already having read nearly 30 million words towards our 175-million-word target.

As you know we have invested over £5000 into the library for this term and pupils are really enjoying the new titles and genres.

Unfortunately, we have had a few books lost or damaged. As stated in our library policy parents are responsible for any costs incurred as a result of having to replace lost or damaged books.

This is only a small minority and we hope that as pupils become more familiar with loaning books they will be taking more responsibility for their safe and timely return.

Thank you for your support on this matter

Kind regards,

Mrs T Price
