7<sup>th</sup> January 2022

Dear Parents/Carers,

**Year 5 Visit to Laches Wood 2022**

The time for our adventure is drawing even nearer and we are all looking forward to having an amazing, yet busy few days at Laches Wood. Now may be an appropriate time to start thinking about how you can help your children prepare for their residential trip. Attached to this letter you will find a kit list provided by Entrust. As it states, it will not be necessary for you to go out and buy lots of new and expensive things, as it is more than likely they will get wet and mucky at times. It will be ideal if children can wear old, comfortable clothing. Avoid jeans however, as once wet they can become very uncomfortable to wear. Any specialist or safety equipment needed will be provided by Laches Wood. Sunscreen is also advised as we have had great weather on previous trips, even in March!

Please label all clothing with your child's name to try and help us to reduce the amount of lost property at the end of the week. They are staying in dormitories so will need a duvet cover and 2 pillowcases - sheets are provided. The children may be required to help carry their belongings off the coaches and to their dorms, so it is important that they are packed in a way that is easy for them to manage. The dorms will have washrooms and/or en-suite bathrooms, so a towel or two will also be required.

Laches Wood is a mobile phone free zone and any mobile phones that are taken will be kept by staff until we return to school. School staff will have a full list of contacts and contact home if necessary. Electronic games are also discouraged as we will accept no responsibility for these. We do however encourage children to bring along a book, magazine, pens and pencils for them to use in their free time.

There is usually a tuck shop available in the evenings and we are hoping restrictions will be lifted so that we will be able to use this on our visit. This sells sweets and drinks all week as well as small souvenirs, so you may want to send your child with a small amount of pocket money (maximum £10.) Please send this in a **labelled** purse, wallet or cash bag. **It is helpful if this is in change.**

Medical and consent forms will be handed out on Tuesday 15<sup>th</sup> March. It is important that these are not completed any sooner than 14 days prior to the trip. Any medication must be brought into school on the day that we leave - clearly **labelled** with the child's name and information on the dosage required. Children will be expected to keep their own reliever inhalers with them at all times; all other medication will be kept by the staff. It is important that we are also made aware of any dietary requirements on this form.

On Tuesday 29<sup>th</sup> March, the pupils need to come to school at the normal time, dressed ready to go. They will be leaving at approximately 9:30am. Pupils will be back at school in time for the end of the school day on Friday 1<sup>st</sup> April. You will be kept updated with a text if there are any changes to our return time.

As I am sure you would expect, students who do not behave appropriately will not be allowed to attend. Any pupil who does not have a 2.05 average or below on the behaviour scale or who has received more than 2 detentions between 4<sup>th</sup> January and 25<sup>th</sup> March will not be able to attend. No refunds will be given. There is also an expectation that pupils' school attendance will be 96% or above.

If you wish to speak to myself or your child's form teacher about any aspects of the visit, please do not hesitate to get in touch.

Kind regards

Miss C. Managh

Year 5 Progress Leader
