

Where Pupils Achieve and Excel

Our Ref: LH/DM

8 February 2022

Dear Parents and Carers

Year 7 ICT Project

As part of the Graphics Digital Media project in computing lessons, students will soon be starting to design a drinks coaster/mat which can be used to protect furniture from drink stains. Students are given the opportunity to create a colourful design, which they will then develop further using photo manipulation techniques similar to skills used in Industry.

Students are being offered the opportunity to have their final design printed on a high-quality drinks coaster/mat for £1.50 each, you can order a maximum of 4.

If your son or daughter would like to purchase their own coaster/mat, please could you ensure all payments are made by Friday 25th March 2022.

Payment will be made via Parent Pay.

Yours sincerely

Mrs L. Hibbert and Mr S. Champ
Teachers of Computing
