

Where Pupils Achieve and Excel
Headteacher: Mrs T Price BA (Hons) MA Ed

4th March 2022

Dear Parents/Carers,

You may be already be aware that at approximately 12:15pm today we experienced a power outage that left the school with no electricity.

Lunchtime at James Bateman begins at 12:30pm.

We pride ourselves in providing fresh quality lunches in school and therefore, found ourselves with minimal fresh supplies on site as it is a Friday and Fridays are chip day.

Lunch was delayed by 15 minutes and classes were called one by one to the dining room for school lunches or the hall with their packed lunches.

Unfortunately, we were not able to offer chips today but below you will find what the pupils were able to choose from:

2 x Fishcakes
Beans
Mushy Peas
Cheese sandwich
Ham sandwich
Pizza

All pupils, whatever they chose to have were also offered a packet of crisps.

All desserts and drinks that would have been on offer were still available with custard if required.

All pupils still received their full lunch break of 50 minutes.

Our till system was also not working; therefore, meals will be put through on Monday.

We thank all our pupils for their understanding and patience during a difficult situation.

Kind regards

Mrs T Price
