

Privacy Notice (How we use pupil information)

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, James Bateman Middle School, Park Lane, Knypersley, Biddulph, Staffordshire, ST8 7AT are the 'data controller' for the purposes of data protection law.

The lawful basis on which we use this information

We only collect and use pupils’ personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process pupils’ personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual’s vital interests (or someone else’s interests)

Where we have obtained consent to use pupils’ personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils’ personal data overlap, and there may be several grounds which justify our use of this data.

Collecting pupil information

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with the General Data Protection Regulation, we will inform you whether you are required to provide certain pupil information to us or if you have a choice in this.

Storing pupil data

We keep personal information about pupils while they are attending our school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our record retention schedule sets out how long we keep information about pupils. A copy of our retention schedule can be found at:

Why we share pupil information

We share pupils' data with the Department for Education (DfE) on a statutory basis – School Census. This data sharing underpins school funding and educational attainment policy and monitoring.

We are required to share information about our pupils with our local authority (LA) and the Department for Education (DfE) under section 3 of The Education (Information About Individual Pupils) (England) Regulations 2013.

Data collection requirements:

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

Youth support services Pupils aged 13+

Once our pupils reach the age of 13, we also pass pupil information to our local authority and / or provider of youth support services as they have responsibilities in relation to the education or training of 13-19 year olds under section 507B of the Education Act 1996.

This enables them to provide services as follows:

- youth support services
- careers advisers

A parent or guardian can request that **only** their child's name, address and date of birth is passed to their local authority or provider of youth support services by informing us. This right is transferred to the child / pupil once he/she reaches the age 16.

For more information about services for young people, please visit our local authority website.

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

The National Pupil Database (NPD)

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies

commissioned by the Department. It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

We are required by law, to provide information about our pupils to the DfE as part of statutory data collections such as the school census. Some of this information is then stored in the NPD. The law that allows this is the Education (Information About Individual Pupils) (England) Regulations 2013.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guideand-supporting-information>.

The department may share information about our pupils from the NPD with third parties who promote the education or wellbeing of children in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure the confidentiality of our data is maintained and there are stringent controls in place regarding access and use of the data. Decisions on whether DfE releases data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data
- the purpose for which it is required
- the level and sensitivity of data requested: and
- the arrangements in place to store and handle the data

To be granted access to pupil information, organisations must comply with strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.

For more information about the department's data sharing process, please visit: <https://www.gov.uk/data-protection-howwe-collect-and-share-research-data>
