Dear Parents and Carers,

Visit to Biddulph Library

As you are aware, James Bateman Middle School is very passionate about all things reading, therefore we have planned a class trip to Biddulph Library.

Biddulph Library has a wealth of information, excellent children's and teenager's books, space to study and computers available for children to use. Joining the library is free and we would encourage you to give permission for your child to join by completing and signing the form that your child will come home with.

**Please consent via ParentPay by 9<sup>th</sup> June and hand the library form back into school.**

On the day the children will be accompanied to walk down to the library. They will find out how a library works, enjoy a Library Hunt and will be able to take a book home. Reading for pleasure is something we value in school and opens up new worlds for children. Reading helps their understanding of people, the world we live in and most importantly, improves their well-being.

Yours sincerely,

Team Reading
