

Where Pupils Achieve and Excel
Headteacher: Mrs T Price BA (Hons) MA Ed

SC/JP

8 June 2022

Dear Parent/Carer,

As you are aware, it will not be long until the students start the next step of their education at Biddulph High School. As part of the transition process pupils will be taking tests in English and Maths during the week beginning the 13th of June.

All tests will take place in the school hall and will be marked externally by the high school to help them with the setting process. It is vitally important that pupils are punctual as they will not be allowed to take the tests at another time as we are working to strict deadlines.

We would appreciate it if you could stress the importance of these tests so that all of our pupils will be focussed, ready to show what they are capable of and fully equipped with a pen, pencil, ruler and rubber for each exam.

Thanks for your support.

Mr S Champ
Year 8 Progress Leader
