JAMES BATEMAN MIDDLE SCHOOL

MENTAL HEALTH AND WELLBEING POLICY

Dated	24.09.2022
Review due	September 2023

"A healthy school ensures that when pupils are unhappy, anxious, disturbed or depressed there are open channels for them to seek or be offered support, without stigma and with appropriate confidentiality. A healthy school actively seeks to promote emotional health and well-being and helps pupils to understand their feelings".

Positive Mental Health and Emotional Well-being describes how we think, feel and relate to ourselves and others and how we interpret the world around us. It affects our capacity to manage, communicate, and form and sustain relationships as well as our ability to cope with change and major life events.

At James Bateman we work towards positive Mental Health and Wellbeing in the whole of our school community, for adults as well as children. We pursue this aim using both universal, whole school approaches and specialised, targeted approaches aimed at vulnerable pupils.

In addition to promoting positive mental health, we aim to recognise and respond to mental ill health. In an average classroom, three children may be suffering from a diagnosable mental health issue. By developing and implementing practical, relevant and effective mental health policies and procedures we can promote a safe and stable environment for pupils affected both directly, and indirectly by mental ill health.

Scope

This policy should be read in conjunction with our medical policy in cases where a pupil's mental health overlaps with or is linked to a medical issue and the SEND policy where a pupil has an identified special educational need. It also links to the following policies: Anti-bullying and Behaviour, First Aid, PSHE, Child Protection, Safeguarding

The Policy Aims to:

- Promote positive mental health and wellbeing in all staff and pupils
- Increase understanding and awareness of common mental and emotional health issues
- Alert staff to early warning signs
- Provide support to staff, pupils and their families

Lead Members of Staff

Whilst all staff have a responsibility to promote the emotional and mental health of pupils, staff with a specific, relevant remit include:

- Ant Walton – Wellbeing Coordinator
- Kate Baggaley, Tracy Price, Lee Pace and Annette Finch - Designated Safeguarding Leads (DSL) and Deputies
- Steph Fletcher - PSHE leader
- Jackie Shelley – Wellbeing support worker
- Carly Wood – Pastoral support worker

Any member of staff who is concerned about the mental health or wellbeing of a pupil should speak to the Kate Baggaley in the first instance and record their concerns on MyConcern. If there is a fear that the pupil is in danger of immediate harm then the normal child protection procedures should be followed with an immediate referral to the designated safeguarding lead.

If the pupil presents a medical emergency then the normal procedures for medical emergencies should be followed, including alerting the first aid staff and contacting the emergency services if necessary.
