6<sup>th</sup> October 2022

Dear Parents/Carers

**Year 5 Food Technology Lessons**

We are delighted to be able to offer our Year 5 cohort a Food Technology lesson again this year. This is a fantastic opportunity for your child to start their cooking skills.

James Bateman Middle School will be providing ingredients for your child's Food Technology lessons to ensure he/she is able to take part in ALL practical lessons.

In the past a lot of children have missed out on taking part in practical lessons due to pupils forgetting to bring ingredients to school. To overcome this problem we wish to provide all ingredients at a cost of £12.50 for the academic year.

Please pay for this via Arbor by Monday 31<sup>st</sup> October.

Yours faithfully

Mr R Carpenter  
Teacher of Food Technology
