The Creative Learning Partnership Trust is a small but expanding Academy Trust, established in August 2016, which places the child at the heart of everything that we do. Our schools are all very different and each has their own individuality. As a Trust this is something that is extremely important to us, as all schools are diverse, even unique and we feel this should be celebrated and encouraged. Nevertheless, as a Trust we are bound together with a joint common purpose and vision – to find the best in all of our children and young people.

We are looking to recruit for the following position:

Assistant Catering Co-Ordinator to support the Catering Manager in the day-to-day operations at James Bateman Middle School. The successful applicant will have previous experience in a similar role and will be required to work 18 hours per week, Monday to Friday.

This School is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.

This position is subject to a “disclosure” check under the “Rehabilitation of Offenders Act 1974”. Further details regarding this check and Staffordshire County Council’s employment policy will be found within the application pack.
